

United Nations Economic Commission for Africa

Office for North Africa Mission Report

By:	Amal Nagah Elbeshbishi
Objective:	To participate in the training workshop on Macroeconomic Model for Egypt
Dates:	27-31 January 2019
Venue:	Cairo, Egypt
Report	<ul style="list-style-type: none">• ECA team along with two senior consultants trained a team of professionals working for the Central Bank of Egypt (CBE) on a Macroeconomic Model.• The main objective of this model is to produce forecasts and scenario analysis with respect to policy changes.• The model is structural or eclectic in design and structure; it encompasses about 60 equations covering four sectors of the economy:<ul style="list-style-type: none">- Households- Firms – production sector- Government- Foreign sector – imports and exports etc.• ECA support to CBE was highly appreciated.• There will be follow up meetings with CBE to further develop the model (to be determined).
Some people met	<ul style="list-style-type: none">- Mr. Tarek Amer- Governor of CBE; Ms. Lobna Helal, Deputy Governor of CBE; Dr. Shireen Fahmy- Senior Economist, CBE; Dr. Adel Ebrahim- General Manager, Economic Research Sector; Mr. Osama Abdelwahed- Chief of Division, International Economy and Organizations.
